Subject: clarification of language
Date: Tuesday, March 05, 2013 1:23:00 PM

Brian,

I double-checked on EPA's intention of the language in our July 20, 2012, letter. The language is intended to ensure that a trained and certified employee/agent/contractor accompanies (remains with) the workers during the entire time the workers are within any of the fenced areas at the Site.

Feel free to contact me if you have any questions.

Thanks,
Emy
